Choose Any Dentist Or a Network Provider and Save

With Ameritas, see any dentist of your choice or choose a PPO network provider and save. PPO providers have discounted their fees resulting in lower out-of-pocket costs. To access PPO locations visit our website www.ameritasgroup.com - click on "Find a Provider" on the top of the screen for step-by-step instructions or call toll free, 800-487-5553 to speak with a customer service representative.

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.
