## PTIP SUMMARY AND PRINCIPLES OF OPERATION

The Pre-Trial Intervention Program (PTIP) is a program designed to educate, rehabilitate, and divert prosecution of certain offenders in the criminal justice system. PTIP uses a rigorous application process combined with evidence-based assessments to identify offenders who are likely to respond to cognitive education and self-correction in a short period of time. In this way, low-risk offenders are sanctioned and rehabilitated to prevent future recidivism while lessening the burden on court resources best suited for rehabilitation and punishment of high-risk offenders.

PTIP is operated by the Williamson County Attorney’s Office and Texas Community Supervision Alternatives, LLC (TCSA). Participation in PTIP by Defendant is voluntary. Accepting Defendant into the program is at the discretion of the County Attorney’s Office. The Prosecutor will consider the facts and circumstances of the alleged offense, determine if any restitution is owed, consider Defendant’s entire criminal history, and consider any victim impact information provided when determining whether to approve an applicant for the program. If approved, Defendant enters into a contractual agreement with the County Attorney’s Office which includes voluntarily waiving certain constitutional rights and signing a confession of guilt to the offense alleged in the *Information* filed in court. All information obtained during the process including the *PTIP Application*, the *PTIP Agreement*, and information obtained during Defendant’s term in PTIP will be used against Defendant on the issue of guilt and punishment of any later prosecution for the offense. However, if Defendant is denied admission to PTIP, any written information obtained in or through the *PTIP Application* will not be used as direct evidence against Defendant during the prosecution for the offense.

Defendant is required to strictly comply with the conditions and requirements of the *PTIP Agreement* during the term of supervision. Upon successful completion of PTIP, the County Attorney’s Office agrees to dismiss the criminal charge pending against Defendant. If Defendant violates the *PTIP Agreement*, Defendant is remanded back to court to formally enter a plea of guilty to the offense alleged and accept a pre-negotiated sentence for punishment.

**APPLICATION PROCESS**

<b>STEP 1</b>	Verify Defendant meets criteria for PTIP. <u>Defendant must meet the minimum criteria found on Page 4 of this Program Summary.</u>
<b>STEP 2</b>	Attorney and Defendant fill out the <i>PTIP Application</i> electronically or by hand. The attorney and/or Defendant may use electronic signatures to sign the application.
<b>STEP 3</b>	Submit <i>PTIP Application</i> via e-mail at <a href="mailto:ptip@wilco.org">ptip@wilco.org</a> <b>within thirty (30) days</b> of receiving the first plea offer on the case from the CA’s Office.
<b>STEP 4</b>	The attorney will receive notice of tentative approval or notice of denial. If Defendant is tentatively approved, said notice will provide instructions and contact information for setting up an appointment to take a professional assessment and a UA drug test.
<b>STEP 5</b>	Defendant meets with the assessment provider on the appointment date to complete the assessments and submit to a UA drug test. Defendant pays <b>\$150.00</b> (cash or money order) to the service provider on that date for the assessment and UA drug test.
<b>STEP 6</b>	The attorney will receive notice of final approval or denial of admission to PTIP. If approved, the attorney will schedule an appointment to sign a <i>PTIP Agreement</i> at the County Attorney’s Office, which must be signed <b>within 30 days</b> of approval.
<b>STEP 7</b>	The attorney and Defendant execute a <i>PTIP Agreement</i> with the prosecutor and pays the <b>applicable PTIP fee</b> (Track 1 = \$360.00, Track 2 or 3 = \$500.00). Defendant contacts TCSA via e-mail that day to set up an appointment for PTIP Orientation.

***Defendant’s County of Residence Makes a Difference***

If Defendant resides in Williamson, Bell, Milam, Lee, Bastrop, Travis, or Burnet County, Defendant is expected to complete his or her community service obligations and attend classes and programs in Williamson County.

If Defendant resides outside of Williamson County and the six contiguous counties, alternative conditions will be written into the *PTIP Agreement* allowing Defendant to meet all requirements of PTIP.

## TRACK ASSIGNMENT DETERMINATION

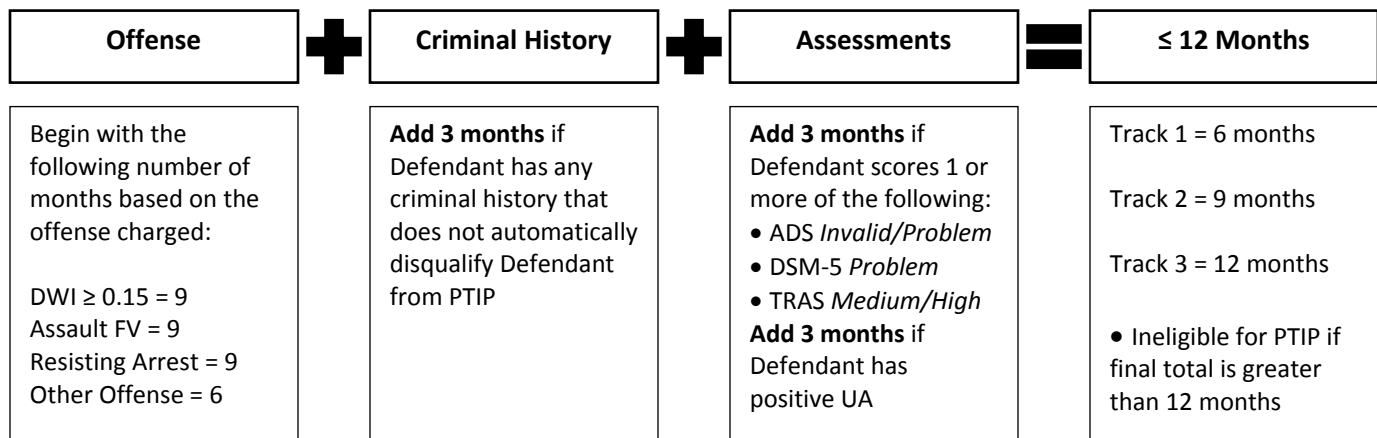

The Williamson County Pretrial Intervention Program will vary in duration and conditions of supervision. Recommendations will be based upon the identified risk factors and needs of each individual applicant. The County Attorney’s Office will consider the underlying offense, facts and circumstances of the presenting offense, crime victim input (if appropriate), evidence-based assessments, and other relevant information as provided. All tracks are designed to meet the stated mission of the Pretrial Intervention Program.

PTIP is divided into the following course tracks:

<b>Track</b>	<b>Length of Supervision</b>	<b>Program Fee*</b>
Track One	Six (6) months	\$360.00
Track Two	Nine (9) months	\$500.00
Track Three	Twelve (12) months	\$500.00

\*Program fee due at signing. Does not include additional costs for classes, alcohol monitoring, etc.

The following formula is used to determine the appropriate track for Defendant:

### How to Interpret the Assessment Scores

<b>Assessment</b>	<b>No Additional Term</b>	<b>+3 Months (one or more)</b>	<b>+3 Months</b>	<b>PTIP Denied</b>
ADS <sup>1</sup>	None/Low Risk/Moderate	Invalid <sup>2</sup> /Problem		Severe
DSM-5	None/Mild/Moderate	Problem		Severe
TRAS	Low	Medium/High		
UA	Negative		Positive	

<sup>1</sup>The Stress Management scale on the ADS Profile is not used as criterion for admission in PTIP.

<sup>2</sup>A truthfulness score of 91% or higher will invalidate the ADS Profile results on the other scales.

### Absolute Disqualifiers

- Any prior adult felony conviction or deferred adjudication
- Any prior juvenile felony adjudication
- Any prior criminal history for the same or similar offense currently charged (regardless of disposition)
- Any DWI (instant offense) resulting in personal injury to another
- Any ADS score (Alcohol or Drugs) and/or DSM-5 score that is *Severe*

## FREQUENTLY ASKED QUESTIONS

***My client is not fluent in English. Is my client able to participate in PTIP?***

If your client is fluent in Spanish, we have several equivalent courses taught in Spanish which will satisfy the PTIP conditions. If your client speaks another language, we need to know this fact well in advance so we can attempt to make reasonable accommodations.

***Do I need to provide a translator for the PTIP Assessments and the contract signing?***

Yes. The attorney of record, a law office staff member, or a friend or family member of the Defendant may translate for the Defendant. However, at no time shall a victim or witness to the underlying criminal offense translate for the Defendant during the assessments or the contract signing.

***My client lives out-of-state. How do I minimize the number of trips to Texas my client must make?***

TCSA will set up a remote assessment that allows your client to take the assessment without having to travel back to Texas. Your client will have to return to Texas to sign the PTIP contract, but all supervision will be done remotely, including any required course work.

***How do I go about scheduling my client for a PTIP Contract Signing?***

The attorney, Defendant, and the prosecutor must all be present to execute the *PTIP Agreement*. The attorney may schedule an appointment via e-mail at [ptip@wilco.org](mailto:ptip@wilco.org) (you may request a call-back if you prefer to schedule over the phone) or in person during normal business hours at the Information Desk located on the first floor of the Williamson County Justice Center. Contract signings are typically scheduled in 30-minute time slots Tuesday through Friday from 9:00 AM to 10:30 AM.

***Can my client pay the required fees and restitution during the PTIP term of supervision?***

All restitution (including DPS Lab fees) must be paid in advance, and the Defendant must pay the program fee at the time of signing the PTIP contract. However, the court-appointed attorney fee may be paid at a different time during the term of supervision.

***How do I appeal my client's denial of admission into PTIP or subsequent PTIP contract violations?***

All requests for reconsideration of application denials or appeals for program violations must be made in writing and submitted via e-mail to [ptip@wilco.org](mailto:ptip@wilco.org) with "Request for Review" in the subject line. Any documentation the attorney wishes the reviewing prosecutor to consider must be attached to and submitted with the *PTIP Request for Review Form*. All such requests must be submitted within ten (10) business days of receipt of notice of denial or revocation.

All requests for review will be reviewed and a decision rendered by either the County Attorney, the First Assistant County Attorney, or the Criminal Division Chief at the County Attorney's discretion. Neither Defendant nor the attorney has a right to a formal hearing on the matter. Extrinsic evidence in support of the attorney's request is limited to documentation attached to the *Request for Review Form* upon submission. The attorney will receive a written response to the *Request for Review*. All decisions are final by the reviewing prosecutor and no re-submission for review is allowed.
