

**EXHIBIT A**

**Right of Entry**

**Williamson County Regional Habitat Conservation Plan  
Participation Application No.:\_\_\_\_\_**

\_\_\_\_\_ (the "Applicant") owns the property in Williamson County, Texas more particularly described on Exhibit "A" attached to this Right of Entry (the "Property"). The Applicant has applied to Williamson County, Texas (the "County") and the Williamson County Conservation Foundation, a Texas non-profit corporation (the "Foundation") for participation in the Williamson County Regional Habitat Conservation Plan (the "Plan") with respect to certain proposed activities on the Property. Pursuant to the terms of the Plan, in order to evaluate the Applicant's application, the County and the Foundation may be required to enter on the Property to perform assessments and surveys concerning the potential presence of species covered by the Plan and the extent of potential habitat of such species occurring on the Property. The Applicant hereby authorizes the County and the Foundation and their respective contractors, employees, and agents to access and enter upon the Property, from time to time, as may be necessary or appropriate for performing the following tasks:

Species surveys; species habitat assessments; investigations and mapping of potential species habitat, including entrance into and exploration of caves; and species collection.

Applicant acknowledges that any data, information, and specimens gathered through such tasks may become matters of public record.

Pursuant to, and to the fullest extent required by, Chapter 201 of the Texas Natural Resources Code, Applicant hereby authorizes the County, the Foundation, and their respective contractors, employees, and agents, to impact caves, whether known or unknown, where necessary to conduct the tasks described above.

Applicant may terminate this Right of Entry at any time by providing two (2) days prior written notice to the County and the Foundation at the address provided in the Plan application. Termination of this Right of Entry, however, may prevent the County and the Foundation from completing processing of the Plan application.
