Our Lady of the Rosary Cemetery has a tranquil section within the cemetery reserved exclusively for infants. They will assist you with grave markers and no-to-low cost options for burial, depending upon the size of the baby.

Smaller caskets: No charge for burial in communal garden

(generally, for babies under 24 weeks)

Larger caskets: Lot charge for burial plot at reduced rate

(for babies over 24 weeks due to baby and casket size)

In both cases, the cemetery will assist you in acquiring funding to cover the cost of the grave marker.
