How To Register on Negometrix

Williamson County uses an online electronic bidding system powered by the Negometrix platform. Negometrix is a 100% digital procurement solution, allowing you to fill-out and submit your offers online, thus allowing you to save on both costs and time by eliminating hard copy offers.

To be able to respond to our solicitations you will need an account on the Negometrix platform. If you follow the three steps below you can create your account within 5 minutes! There is no cost create an account or participate in our solicitations.

Step 1: Register your company

Go to https://platform-us.negometrix.com and click the Register button on the bottom right of the screen.
Step 2: Fill-out the Registration Form

The system will ask you about your company & contact information to create an account. You can choose your own Username & Password here which you will use later in the process to log-in!

Do not forget to select the appropriate Commodity Code for the goods or services your company can provide. Completing this information will help ensure you receive automatic notifications when Solicitations are published.
Once you have completed the registration form, the system will send an email to the email address you provided during account setup.
Step 3: Activate your account!

Check your email inbox for the ‘Activate your Negometrix account’ message. In this message an activation link is provided. Simply click the link to confirm your registration. You must activate your Negometrix account in order to login in and use the system.

Welcome! Your registration is complete and you can now log-in with your username & password!
